Face Painting Competition

Cheek Art - Full Face (Circle one)

Judges: Please base your opinions of each design according to the following questions / guidelines in each category, for a possible total score of 30 points. Using a 10 point scale in each section of the score sheet, with 1 being the lowest and 10 being the highest possible score per category, score the competitors' design in each of the following three categories:

Originality:

1. Is the design fresh, new, and different or has this design, or something very similar to it, been done often by others?
2. Is the design a "new twist" on an old idea or is it commonplace and ordinary?
4. Did the competitor select the proper materials to enhance the creativity of the design (example: flat finish versus metallic paint, glitter versus no glitter, gems or feathers versus no gems or feathers).

1 2 3 4 5 6 7 8 9 10

(Circle one score)

Creativity:

1. Is the design artistic and creative?
2. Does the design suggest that care was taken when choosing to paint this particular design?
3. Did the competitor take the model's bone structure and facial features into consideration when choosing this design (does the design work well with the model's face)?

1 2 3 4 5 6 7 8 9 10

(Circle one score)

Difficulty of Design / Technique:

1. Is the design detailed, properly scaled / proportioned?
2. Has the competitor added detail that shows depth and dimension?
3. Are the lines crisp and clean?
4. Has shading been added?
5. Is the blending smooth?
6. If embellishments were added, (gems, feathers, glitter) did this add to or detract from the overall design?
